### FEBRUARY'S CORE VALUE: COMPASSION

KARIM DUPREE

For the month of February, I have chosen Karim Dupree as the student of the month. Since I've known him, Karim has demonstrated compassion and kindness in some form every single day. He is not afraid to help someone out if he can. He is kind in the classroom and all other areas in the school. Kindness is a part of his character, and he does not miss an opportunity to make that very clear. He is a team player and he always uses his powers for good, and not evil.

### PARENT CORNER

We are in the middle of the End-of-Year I-Ready testing window. As 4th grade winds down, all scholars can benefit from having additional practice in comprehension. Here are some helpful tips when practicing or doing homework at home:

- Have them read aloud.
- Provide books at the right level (or ask the teacher for additional resources)
- Reread to build fluency.
- Discuss what they're reading.
- Have them respond to reading in writing.

### ANNOUNCEMENT!

As many of you may know, I am expecting the arrival of my baby girl, K, at the beginning of April. This means that, after Spring Break, 4th grade scholars will likely have a substitute teacher who will deliver instruction for the remainder of the school year. Details are forthcoming, but if you have any burning questions, please feel free to send me a Dojo message!

Additionally, as we anticipate her arrival, I am putting together a collage of baby pictures and there will be a contest to see who can match the student to the baby picture. The contest will take place during a classroom celebration during Spirit Week. All 4th grade classes may participate-- just send in a copy of the picture, or submit it digitally. If you have any questions, let me know!

# When Words Are Tricky, Roll Up Your Sleeves!

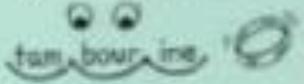

Check the picture and think, "What would make sense?"

Use what's happening in the story.

Look through the WHOLE word, part-by-part.

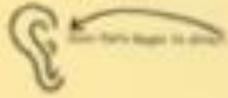

Look for a word inside a word.

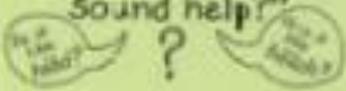

Don't give up! Try something! Take a guess!

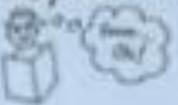

Reread and ask, "Does that sound right?"

Use vowel teams, and ask, "Would a different sound help?"

Don't just SAY the words, figure out what they MEAN too!

## This Month's Focus

### Student of the Month's Voice

A student that comes to mind when thinking of the word compassion is Kamori Jolley. She is always taking the initiative to help another student when he or she is in need. Kamori is a very caring and loving young lady. She has a keen sense of awareness for others' emotions and will always help that person when they are down. In class, she loves to offer and help assist Ms. Brown. Kamori is quick to give friends a hug if that is what they need. This little lady is a prime example of what in our school, neighborhood, and community should look like.

### January's Perfect Attendance

- ❖ Banks, Caleb
- ❖ Benton, McKenzie
- ❖ Prince, Khalee
- ❖ Shorts, Kyasia
- ❖ Smith, Kyzah

### Reminders

- ❖ Our core value for this month is Forgiveness. The definition of forgiveness is the action or process of forgiving or being forgiven. Let's practice forgiving each other and ourselves.

### DID YOU KNOW!!!

There are only four words in the English language which end in "dous": tremendous, horrendous, stupendous, and hazardous.
