

Ollie's News

December edition

Winter is Here!!

BRRRR... "The weather outside is frightful, but the learning in third grade is delightful!" We are halfway through 2nd quarter. The weather is getting chilly, so please remember to have your child wear their warm coats. The holiday season is upon us. We will have a small holiday celebration in class on December 19th. Any donations are appreciated!

I have had the pleasure of caring for your children for almost 5 months now. It's hard to believe it is going so fast!!! I have covered many skills and lessons. I have seen the children grow so much in this short time. Now that your child has

the routine down, it's a good time to start fostering independence. When they get home in the afternoon, ask them what they did in school that day.

Keep our school mission and vision in mind to help us achieve our goal.

Mission: to accelerate the opportunities and outcomes for our children by demanding nothing but excellence from the students, the staff, and the community

Vision: accelerating the academic achievement of all students, in partnership with the entire community, to ensure that students have the attitudes, skills and proficiencies to succeed in college and the 21st cen-

tury global workforce.

There will be an intercession packet and projects to do during the winter break. Be sure they are completed during the time off. These items count as a major part of grades.

Progress reports will be coming home soon.

Please speak with your child about being mean and disrespectful to their peers. This is becoming an issue that needs to be resolved right away.

Each day, we pledge to follow our school rules which are "Be Respectful, Be Responsible, and Be Safe". This means different things

Reminders:

- ⇒ Homework is given Monday - Thursday. It is due on Friday
- ⇒ A uniform (white or navy blue shirt and khaki bottoms) is to be worn EVERY-DAY.
- ⇒ Be sure and sign the planner daily
- ⇒ If anything should happen to the netbook because of something that your child has done, you are financially responsible for replacing it.

What Are We Learning This Month in Class

LANGUAGE ARTS:
asking and answering questions, writing essays and five paragraph papers, main

idea and key details and character traits and feelings

***Please speak with your child about the
importance of this***

ALWAYS!

December third grade newsletter

Things we've been doing in class:
projects, centers, and activities...

Reading:

Grade three is working hard to bring their individual reading levels higher and higher. In order to become master readers, students are practicing cause and effect, drawing conclusions, and finding the main idea.

Writing:

This month our students will be writing many persuasive pieces. Not only will they be asked to form opinions their opinions with relevant details.

Math:

This month in math, the students will continue to work and study their multiplication facts. We have been using repeated addition in order develop our understanding of multiplication.

Any concerns please contact Ms Peterson (410)396-0882
