

3rd Grade News

Furman L. Templeton

May Edition

We Are In This Together

It's hard to believe that we've been out of school for 8 weeks. Allow us to give you a hand clap for all of your perseverance through this new journey of learning. Daily, make sure that you take time to take a deep breath in and a moment of meditation because you've done so much in this time to help your child!

You've learned new technology, re-arranged your schedule for your child's learning, and asked for help when you needed it. Thank you for being a positive example right now! Remember we are all in this TOGETHER!

Grading Update

In light of Covid-19 final grades are calculated as an average of first, second, and third quarter. For the duration of the fourth quarter students will receive a pass or incomplete grade. This will be determined by active participation in assignments and class meetings. If students are completing at home assignments and/or connecting remotely, they can earn an additional 6 points on their final grades for core subjects. Students may receive an incomplete for fourth quarter if there has been no contact with teachers or indication that learning is continuing at home. Please reach out to your child's teacher with questions.

Google Classroom

Google Classroom is the best place to find up to date assignment information, submit work, and follow along with our expectations. If you have access to a digital tablet, desktop computer, laptop, or cell phone you can see the assignments and announcements that teachers post. Remember, We will track submitted assignments for points on final grades. Make sure you have connected to gym/health and art to complete assignments for them as well. It is not too late to submit late assignments. Please look through your to do list and see if you have anything missing.

HAPPY BIRTHDAY

Kemar J. - 4th
Jadore D. - 10th
Yahsenha K. - 21st
Nevaeh B. - 29th

Be on the lookout for dates regarding the FLT parent town hall and new packet pick-up

Grade Level Office Hours: 9:00 a.m - 10:00 a.m - teachers are readily available during this hour to answer any questions that parents may have. If you reach out during any other time, please give us time to get back to you.

Class Meeting Time: 10:20 - 11:00 - be sure and attend class meetings with your teacher at this time Monday - Thursday every week.

Expected School Day Hours: 9:00 - 3:00 - students are expected to be working on assignments and actively participating during this times.

Our skills and strategies will change each week. Be sure you are watching the weekly videos for each subject. Make sure you are completing the writing assignments and all assigned projects for full credit.

Websites We Are Using For Learning

iReady:

<http://login.i-ready.com>

iReady is a great resources for individualized learning at home. It can be accessed on most personal computers or an iPad. The lessons assigned are at student's level and can keep them on track to meeting grade-level standards. Please have students complete 45 minutes of math and 45 minutes of reading each week.

Spelling Vocabulary City:

www.spellingcity.com

Spelling Vocab City is a great resource that is used to practice weekly spelling and vocabulary

word skills. Please ensure students are completing all assigned activities on this site.

Wonders:

connected.mcgraw-hill.com

This is the website for our digital reading curriculum. All texts that are read come from this curriculum. Please make it a habit to visit this site often for ELA practice and to read all assigned stories and complete any assigned activities given on here.

Sumdog:

www.sumdog.com

Sumdog is used to practice fact fluency and other important math

skills. Please use this during any free time to help increase fluency.

Splash Learn:

www.splashlearn.com

This is a site that we use to help practice grade level math skills. It does a great job with review and showing understanding of skills. Assignments will be given to students. Please ensure they are completed whenever assigned.
